Ingredients:

- 3 cups Rice Bubbles
- 3 Mars Bars
- 3 tablespoons cream
- 1 1/2 teaspoons cocoa powder
- 90g butter (3oz)
- 12-24 small easter eggs

Method:

Place cup cake paper cases into a tray.

Chop up the Mars Bars and place in a large microwave-proof bowl with the cream, butter and cocoa powder.

Zap in the microwave for 1 minute on medium power, remove from microwave and stir well.

Stir the rice bubbles into the lovely gooey chocolate mixture until well combined.

Spoon into paper cases and then use a teaspoon to make a small hole in the centre of each basket.

Place one or two easter eggs in each basket.

Store covered in the fridge until needed.
