Happy Father's Day

Father's Day Poem

September the 6th marks a special day
Spoilt in each and everyway
I try not to annoy him, for the day is not grim.
It's time to celebrate
I use chocolate as bait,
I gave him gifts, as a mood lift.
I treat him as the king, gave him bling.
Trust me he's worthy, we have much more of a journey.
Together, forever making me happy when sad.
Helping me not be mad,
I'm glad you're my dad.
