

# PARENT PAYMENT

## POLICY

Parents will be made aware of the costs associated with all payments and voluntary contributions by December of the previous year, along with a recommended payments schedule.

- The payments schedule will include itemised details relating to all payments, an option to purchase goods elsewhere (where appropriate), options to make payments by instalments, clear definitions of the category of any payments (i.e: Essential, Optional or Voluntary), an alignment between payment dates and the timing of government assistance payments (eg: School Start Bonus) and advice to parents to contact the key contact person if they require support or additional information.
- All payments and non-payments will be strictly confidential.
- As with all parent payments to the school, Council will provide opportunities for all parents experiencing financial hardship to enter into alternative and confidential payment arrangements with the key contact person.
- Invoices for unpaid Essential Items and Optional Extras will be mailed monthly, with requests for Voluntary Financial Contributions to occur in February and July (if required) each year.
- Unpaid Essential Items payments will not result in any detriment by the school to the student or family. Unpaid Optional Extras payments may compromise a student's ability to be involved in the optional activity in question.
- Parents who make voluntary contributions will receive letters of appreciation.
- The principal will ensure that all staff are aware of this policy and adhere to it.
