Middle Unit Activity Rubric

Reading	Writing	Maths	EQ/Discovery								
Read a book (20 minutes minimum). *	Complete Free Writing (story, letter, poem, report)*	Practise your multiplication facts e.g. 2 fours is 8. Draw the matching array from the multiplication equations you have worked on.	Make a poster about one of the EQ Life Raft Concepts (coloured posters in classrooms).								
Write a book review for a book you have read.	Write a persuasive text convincing your family to get a pet.	Addition dice roll game (roll 2/3/4 dice and add the numbers together)*	Create a comic about EQ.								
Read a book and draw a visualisation of one page from the book.	Handwriting practise- copy a page from a book from home.	Roll a 3/4/5 digit number and write it in expanded form (e.g. 3478= 3000+400+70+8) Write 3/4/5 digit numbers in words.	EQ Journal Reflection Topic- Gratitude (what are you grateful for today?)*								
Write a list of questions about your book using the question starters (who, when, where, why what, how)	Write a letter to your future self. What advice would you give? Write a letter to a friend of family member. What would you like to share with your friend?	Teach a family member your favourite maths warm up game e.g. Place Value Knock Out: <table border="1" style="margin: 10px auto; text-align: center;"> <tr> <td>Th</td> <td>H</td> <td>T</td> <td>0</td> </tr> <tr> <td>9</td> <td>6</td> <td>0</td> <td>3</td> </tr> </table> Player two needs to try and knock you out by correctly guessing the digit in each place of your number.	Th	H	T	0	9	6	0	3	Make a word search using words from this term's Discovery topic.
Th	H	T	0								
9	6	0	3
