

Bringing Up Great Kids

- Learn more about the origins of their own parenting style and how it can be more effective.
- Consider the relationship between a child's stage of neurological development and their behaviour.
- Identify important messages they want to convey to their child and how to achieve this.
- Understand the messages that children communicate to their parents and how they do this.
- Discover how to overcome some of the obstacles that are getting in the way of being the kind of parent they would like to be.
- Discover ways for parents to take care of themselves and to find support when they need it.
