

YOUR SCHOOL PORTAL

Melrose Primary School utilises an online School Portal mobile app to support the important three-way partnership between the classroom teacher, parents and their child.

The School Portal provides real-time access to information to ensure that parents and guardians are kept informed of their child's learning and progression through their primary education.

The School Portal mobile app has a growing list of functionality and provides access to:

Approve school activities

Teacher contacts

Approve attendance

School Calendar

Student reports

Visit the App store for iOS or the Google Play store for Android devices and search for 'School Portal' to download the app. Once downloaded, launch it and enter either the mobile phone number or email address associated with your child's enrolment at the school. You will then be sent a 6-digit verification code to the email address or mobile number entered.

Please contact the school on (02) 6059 1955 if you require assistance accessing this.

🛃 STUDENT ATTENDANCE

Pre-approved attendance

From the School Portal, pre-approved absences can be entered for when it is known in advance that your child will be absent. A note about the absence along with a duration and type of absence can be entered via the portal. This will make staff aware of the absence when they mark their class attendance.

Unexplained absences

If your child has been absent, an explanation for this absence can be entered via the School Portal by selecting the 'UnApproved Absences' option from the menu. This will request a type of absence and allow an opportunity for a note to be entered which will be available for your child's teachers to view.

SCHOOL CONTACTS

Easily accessible through the School Portal are your child's teacher and School Leader contacts. This makes it easy to make contact with these key people involved in your child's time at school. You can send an email to each of these staff by either tapping on them individually or the 'Email all' button located at the top of the list.

STUDENT REPORTS

Your child's progress reports are available to be downloaded and viewed from the School Portal, these are updated after every reporting cycle to ensure that you have access to the most up to date information.

Historical student reports from their time at the school are also made available through the School Portal.
